

## **REMARKS**

Responsive to the Notification of Defective Response concerning the Requirements for Patent Applications Containing Nucleotide Sequence and/or Amino Acid Sequence Disclosures issued January 8, 2008, on the above-captioned patent application, a paper copy of the Sequence Listing is enclosed herewith. This sequence listing is identical to the enclosed sequence listing provided in computer readable form, both of which were previously supplied with the prior response. It is further submitted that the paper copy and computer readable copy of the sequence listing submitted herewith include no new matter.

Applicants request that the sequence listing be entered in the application.

It is believed that there are no fees required and/or due regarding this matter. If that is not the case, please charge any and all fees or credit any overpayment to Deposit Account No. 06-0308.

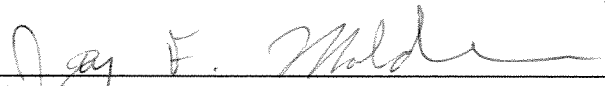

The foregoing submissions are believed to meet the requirements of the Notice, and Applicants await further action on the application from the U.S. Patent and Trademark Office.

To the best of our knowledge and belief, the foregoing information is true and correct and any attached copy is a true copy of the original document.

Respectfully submitted,

FAY, SHARPE, LLP
